Stable Homes,
Safe Children, &
Strong Families

Save the Family Foundation of Arizona works toward transforming our community by empowering families experiencing homelessness to succeed in all aspects of life. By giving our families access to affordable housing, education, and supportive services we help them achieve lifelong self-sufficiency.

Each year we strive to serve more than 600 families. To fit the unique needs of each of our families we offer a variety of housing programs, such as rapid rehousing, tenant-based rental assistance, and Step Up to Independence.

We are very proud to add the Phoenix Scholar House to our list of programs. This innovative housing project combines affordable housing with proven workforce development to uplift multiple generations and end the cycle of poverty.

Through our work and the support of our donors, we can provide stable, safe homes where together we can build a brighter future.
